# 2012 OOIDA MEMBER REBATE CLAIM

## Eligibility Requirements and Restrictions

1. An individual OOIDA member may apply for a rebate of up to \$1,500 for the purchase of a qualifying new Volvo vehicle. The vehicle must be a new retail order or a new truck from dealer stock.
2. **You must show your current OOIDA card to your dealer salesperson BEFORE the sale is finalized. Before you apply for your rebate, make sure your dealer did not already include this rebate in your purchase price! If your dealer already gave you discounts or concessions that were applied to the purchase price of your vehicle(s), you will not receive an additional rebate.**
3. A maximum of five (5) rebates are allowed per customer and/or company per calendar year.
4. You must provide a clearly legible copy of your current OOIDA membership card with this rebate claim form and required documents. Missing, expired or ineligible cards will cause your rebate request to be denied.
5. Any misrepresentations, incomplete information, or inaccurate information provided on the rebate claim form or other documentation may, at the sole discretion of Volvo Trucks, result in the immediate denial of this rebate.
6. This rebate claim offer is valid only for qualifying vehicles purchased and warranty registered between January 1, 2012 and December 31, 2012. Both pages of the completed and signed claim form and all required documentation must be received by Volvo Trucks within 30 days of warranty registration. No rebate claims will be accepted after January 15, 2013.
7. The customer (vehicle owner) name on the bill of sale, warranty registration, and other documentation must ALL match the OOIDA member whose name appears on this rebate claim form. If the names do not match, you must provide documentation (articles of incorporation, etc.) that explains the relationship of the person requesting the rebate to the person or company purchasing the vehicle.
8. Rebates, if approved, will be paid only to the customer named on this claim form. Rebates may not be transferred or reassigned to any other party.
9. The following are excluded from this rebate program:
  - Fleets with more than 25 Class 8 vehicles
  - Leasing companies
